Engineering Systems*

INVITED SESSION SUMMARY

Title of Session:

Classification, forecasting and decision support

Name, Title and Affiliation of Chair:

Wojciech Froelich, Institute of Computer Science, University of Silesia, Poland

Petr Hajek, Institute of System Engineering and Informatics, University of Pardubice, Czech Republic

Details of Session (including aim and scope):

The objective of the session is the presentation of original, unpublished results on recent advances in classification, forecasting and decision support systems. The suggested but not limited scope of the session includes the following topics:

- Classification – theory and applications
- Committees of classifiers
- Classification of biometric data
- Time series forecasting, forecasting of sequences
- Learning classification and forecasting models
- Deep learning
- Conflict resolution in classification and forecasting
- Dealing with missing and lacking data in classification and forecasting
- Dealing with dispersed knowledge in classification and forecasting
- Feature selection for classification and forecasting
- Dealing with big data in classification and forecasting
- Soft computing techniques (fuzzy sets, rough sets and other)
- Neuro, fuzzy and neuro-fuzzy models, fuzzy cognitive maps
- Statistical models, statistical reasoning
- Decision support systems (DSS) – design and implementation
- DSS architectures and algorithms (TOPSIS, AHP, other), multi-criteria decision problems
- Medical DSS, medical diagnosis, medical guidelines, medical pathways
- Financial DSS, financial forecasting

IMPORTANT DATES:

Submission of papers: ~~3 April 2020~~ extended to **24th April 2020**

Notification of acceptance: **1 May 2020**

Final paper publication files to be received by: **29 May 2020**

Email & Contact Details:

Wojciech Froelich, wojciech.froelich@us.edu.pl
Institute of Computer Science, University of Silesia, ul. Będzinska 39, Sosnowiec, Poland

Petr Hajek, petr.hajek@upce.cz
Institute of System Engineering and Informatics, Faculty of Economics and Administration, University of Pardubice, Studentska 84, 532 10 Pardubice, Czech Republic
